◆ The ByTowne Guide

The ByTowne Cinema self-publishes the ByTowne Guide once every two months. The publication is a comprehensive listing of every film that will play at the cinema during those two months, complete with lots of pictures, reviews and other interesting commentary.

The ByTowne Guide is not intended to be a profit-generating publication. We price our advertising at low rates which reflect our costs of printing, layout and distribution only. This ensures that the ByTowne Guide remains one of the best advertising values in Ottawa.

◆ Circulation

Every issue of the ByTowne Guide has a minimum print run of 42,000 copies. About 2,000 are mailed to ByTowne Members, and the balance are circulated around the city to over 200 locations. The strength of our circulation is primarily in downtown Ottawa.

All copies of the ByTowne Guide are picked up by readers who actively want a ByTowne Guide; none are simply dropped on doorsteps or sent out via unaddressed bulk mailings.

◆ Readership

Circulation of the ByTowne Guide is not audited, but common sense tells us that the majority of readers are customers of the ByTowne, and movie fans in general. The variety of films shown at the ByTowne embraces virtually every demographic, but the one thing that all ByTowne patrons have in common is their willingness to leave the house and enjoy an evening out.

We know the Guide works: the ByTowne Cinema entertains nearly 3,000 people per week, even though many of the cinema's presentations are not advertised anywhere other than the ByTowne Guide.

◆ Deadlines

Each issue of the ByTowne Guide covers two months of film presentations: January & February, March and April, etc. The ByTowne Guide is completed and 'on the street' about a week prior to the first day of its programming period (June 22nd or 23rd for July/August, for example).

Deadlines for advertising in the issues of 2017 are as follows:

ISSUE DATE	RESERVE SPACE BY	CAMERA READY ART DUE
January/February 2017	Nov. 24.....	Dec. 1
March/April 2017	Jan. 26	Feb. 2
May/June 2017	Mar. 30	Apr. 6
July/August 2017	May 25.....	Jun. 1
September/October 2017	July 27	Aug. 3
November/December 2017	Sept. 28	Oct. 5

◆ Sizes and Prices

All available sizes are shown on the accompanying page, with prices and dimensions of the space indicated. **Full colour is included in all ad prices.**

Prices are for the space only; preparing the ad is the responsibility of the advertiser (see 'Technical Requirements', below).

◆ Billing and Payment

First-time advertisers must pay in advance for the first insertion; payment should arrive at the ByTowne by the same date as the deadline for camera ready artwork (see chart on previous page).

Subsequent ads will be billed to the advertiser on a Net 30 Day basis. Advertising will be suspended if an account is in arrears.

◆ How To Save Money

There is only one discount available for multiple insertions in the ByTowne Guide: Advertisers who pay *in advance* for five insertions of an ad receive the 6th ad free.

◆ Technical Requirements

Finished ads must be prepared to the dimensions given, and submitted as electronic files. One of the most straightforward ways to do this is to save your finished file as a .tif or .jpeg image file at a resolution of 400 dpi or higher. We can also happily use Quark XPress documents (our current version is 11.1), with images and fonts included, or Illustrator files (don't forget to convert your fonts to outlines). E-mail Bruce White at bruce@bytowne.ca if you or your designer has any questions.

PDF: We do NOT accept .pdf documents for final production. Please convert your .pdf files to 400 dpi image files, CMYK colour mode. Thanks.

Electronic ads may be e-mailed to bruce@bytowne.ca or may be burned to CDs and delivered to the cinema (see below).
